Harry S. Truman Lake announces beach closure

WARSAW, Mo.— The U.S. Army Corps of Engineers at Harry S. Truman Lake announces the closure of Sparrowfoot Beach due to water quality concerns.

Sparrowfoot Beach will remain closed throughout the holiday weekend.

The Corps maintains six additional beaches on Truman Reservoir. The public is encouraged to use these beaches or the Truman State Park beaches. Other Corps beaches include Windsor Crossing Park, Bucksaw Park, Berry Bend Park, Long Shoal Park, Thibaut Point Park and Shawnee Bend Park.

All beaches are scheduled to close for the year on Sept. 15.

For more information, call the Truman Lake Project Office at (660) 438-7317.
